# Gastronomic restaurant

Welcome to Mathias Dandine's Michelin-starred restaurant in Gémenos, in the Bouches-du-Rhône, a subtle blend of old and modern.

The Chef welcomes you to the heart of La Magdeleine, an 18th-century Provençal bastide. The spirit and elegance of these grand Provençal homes have been preserved throughout its long history.

Mathias Dandine has always cherished the Provençal terroir, savoring its flavors and aromas. He knows all its finest products, their producers, their stories, the juicy sun-kissed fruits, colorful vegetables, and the freshest fish...

Open year-round (hours of service available on our website).

**4 actes Menu from 135 euros / person.

# Le Grand Café

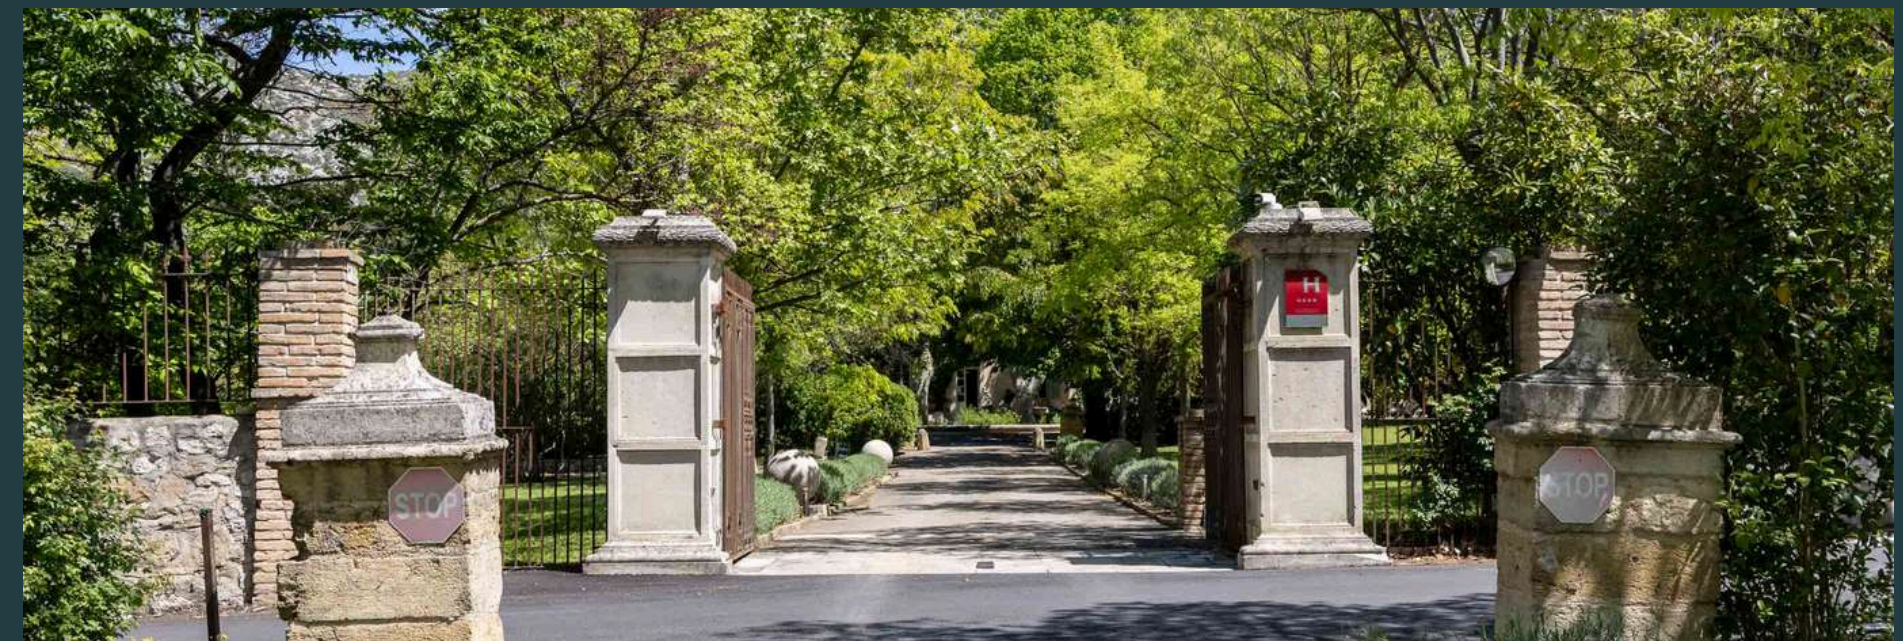

It's time for cozy comfort with a menu of traditional dishes. The golden crust of seasonal vegetable gratins competes with the aroma of slow-cooked casseroles and the delicate flavors of homemade terrines, naturally.

As soon as the sunny days arrive, Le Grand Café moves outdoors, under the shade of century-old plane trees, right by the pool. The atmosphere mirrors that of a village square in Provence, where people spontaneously gather throughout the day, meet by the fountain, enjoy good company, and share a fresh lunch together.

**2 courses menu from 65 euros/ person (except weekend) .**
